2. Create form

3. Selecting Question type

The screenshot shows the Google Forms editor interface for a form titled "Contact information". The form has three questions: "Name", "Email", and "Address". A dropdown menu is open for the "Name" question, showing options: "Short answer", "Paragraph", "Multiple choice", and "Checkbox". The "Short answer" option is selected. The "Email" question is also set to "Short answer" and is marked as required. The "Address" question is set to "Paragraph" and is marked as required. The form description is "Form description". The interface includes a "Send" button and a "Responses" tab. The Windows taskbar at the bottom shows the date and time as 1:10 PM on 7/24/2023.

4. View Response

The screenshot shows the "View Response" page for the "Contact information" form. At the top, there is a red button labeled "Delete all responses". Below this, the "Questions Summary:" section displays the responses for each question. The "Name" question has the response "Saurabh Yadav". The "Email" question has the response "abs@gmail.com". The "Address" question has the response "hyuj". The "Phone number" question has the response "+91 98765 43210". The "Comments" question has the response "filled the form". The interface includes a "Responses" tab and a "Delete all responses" button. The Windows taskbar at the bottom shows the date and time as 1:08 PM on 7/24/2023.
